

Module 6 - Lesson 7 activity: Complete a Risk Register table

Fill out the following Risk Register table using information from the risks you found in the activity in [Lesson 5: Put risk techniques to the test!](#) Try to complete at least two rows to feel comfortable.

Description	Likelihood	Impact	Mitigation	Owner	Contingency
<i>Enter a description of the risk here</i>	<i>How likely is the risk to occur?</i>	<i>What is the potential impact of the said risk?</i>	<i>How do we plan to deal with the risk?</i>	<i>Who is responsible for dealing with the risk?</i>	<i>Back-up plan, if mitigation doesn't work.</i>
